### *About Play*

*P4 Sp. z o.o., trading as Play, is a consumer-focused mobile network operator in Poland with 12.7 million subscribers as of March 31, 2015. Play provides mobile voice, messaging and data offerings and services to consumers and businesses (in particular to small office/home office subscribers and small/medium enterprises) on a contract and prepaid basis under our umbrella brand "PLAY". Play provides these services, available to 99% of the population, via an extensive, modern and cost-efficient 2G/3G/4G LTE telecommunications network complemented by long-term national roaming/network sharing agreements with the other three major Polish mobile network operators.*
